Workshop on:

CLOUD COMPUTING IN CYPRUS
Opportunities and Challenges

Wednesday 23 May 2012
9:15 - 16:30

Anastasios Leventis Building - Room B108
University of Cyprus Campus
University Ave 1, Aglantzia, Cyprus

University of Cyprus, Microsoft Cyprus and the Cyprus Investment Promotion Agency organize a workshop under the title "Cloud Computing in Cyprus: Opportunities and Challenges".
The workshop aims at examining the prospects, the difficulties and the challenges of establishing the regulatory, technological and business environment that could attract to Cyprus significant international activities in the Cloud Computing sector.
